

Lecture 10.10-14.10.2022

Monday-Thursday 10:15-18:00

Friday 9:15-13:00

Roman Foundations of European Private Law

KSL Nr. 453819 (5 ECTS)

Students will explore the Roman origins of important private law institutions that can be found in every modern European codification, such as interpretation and error, just price, the concept and transfer of property, the principles of universal succession, etc.

The course will be held in English.
